

Tom's STEAK HOUSE

—| Est. 1952

At Tom's, we've been perfecting the art of the charcoal broiler since 1952.

Cooking over an open flame is where it all began. What started as a primal discovery, driven by our ancestors' instinctive pursuit of flavor, remains timeless. For more than seven decades, we've honored that tradition, because no method brings out the authentic taste of a great steak quite like the charcoal broiler.
